

LeadershipTompkins

# Congratulations Class of 2008!

Leadership Tompkins is a community leadership development program. Through meetings and activities, participants learn and practice leadership skills, network with current and future community leaders and complete a "CAP" project that will be of lasting value to our community.

**We are proud of the 2008 graduates and CAP projects listed below.**

*Find more information about the projects at [www.leadershiptompkins.org](http://www.leadershiptompkins.org)*
